DD4012SA DC-DC Regulator, 5'	2	$2.29	$0.00	https://www.aliexpress.us/item/3256806851868660	Compact step-down regulator for powering small 5V electronics from the LiPo.
Lead-Free Solder Wire, 0.8 mm,	1	$7.98	$0.00	https://www.aliexpress.us/item/3256808377261362	Solder for assembling the flight computer perfboard and wiring harness.
Passive Buzzer, 12x8.5 mm (10	1	$1.73	$0.00	https://www.aliexpress.us/item/3256806026983317	Piezo buzzer driven with tone() for audible arming and status alerts.
iMAX B6 80W Balance Charger	1	$41.51	$0.00	https://www.aliexpress.us/item/3256806677465991	Balance charger for charging and storing the 2S LiPo packs safely.
5 kg Load Cell + HX711 Module	1	$2.11	$0.00	https://www.aliexpress.us/item/3256806641615421	Sensor for the static thrust test stand that measures F15 motor thrust curves.
Soldering Tip Cleaning Ball	1	$1.91	$0.00	https://www.aliexpress.us/item/3256808286810598	Brass wool cleaner that keeps the soldering iron tip clean and tinned.
Bare Copper Wire, 0.5 mm, 10 r	1	$2.54	$0.00	https://www.aliexpress.us/item/3256808892044586	Bare wire for running traces and jumpers on the perfboard.
M5 x 30 mm Phillips Screws (10	1	$2.67	$0.00	https://www.aliexpress.us/item/2251832787469395	M5 fasteners for assembling structural parts and test fixtures.
UL1007 22AWG Hookup Wire K	1	$9.56	$0.00	https://www.aliexpress.us/item/3256810100589680	Color-coded stranded wire for the power, signal and pyro wiring.
SG90 9g Micro Servo, 180° (5 p	1	$2.70	$0.00	https://www.aliexpress.us/item/3256806385982254	Micro servos that actuate the dual-axis TVC gimbal.
Electrolytic Capacitor Assortmer	1	$5.35	$0.00	https://www.aliexpress.us/item/3256809729966260	Capacitors for decoupling and smoothing the servo and logic power rails.
Nichrome Wire, 0.2 mm	1	$2.55	$0.00	https://www.aliexpress.us/item/3256805761517719	Resistance wire for making electric motor igniters.
RC Pushrod Linkage Stoppers (:	1	$1.80	$0.00	https://www.aliexpress.us/item/3256806333943831	Adjustable connectors that link the servo arms to the TVC gimbal pushrods.
EVA Foam Strip, Self-Adhesive,	1	$1.40	$0.00	https://www.aliexpress.us/item/3256806809954166	Foam padding for vibration damping and snug fits around the electronics.
IRLZ44N Logic-Level MOSFET (	1	$2.40	$0.00	https://www.aliexpress.us/item/3256804346841511	Logic-level MOSFETs that switch the pyro channels to fire the igniters.
Brass Heat-Set Inserts, M2/M2.5	1	$12.28	$0.00	https://www.aliexpress.us/item/3256806116413618	Threaded inserts melted into 3D-printed parts so they can take screws.
UBEC 5V 5A Switching BEC	1	$0.95	$0.00	https://www.aliexpress.us/item/3256803510775753	Dedicated 5V supply for the servo rail that keeps servo current spikes off the logic rail.
DC-DC 3A Buck Converter, 5V	1	$1.81	$0.00	https://www.aliexpress.us/item/3256803378451942	Buck converter that supplies the 5V logic rail for the flight computer.
Double-Sided Prototype PCB, 9:	1	$1.63	$0.00	https://www.aliexpress.us/item/3256805913834017	Perfboard that the flight computer is built on.
CMK642 Lever Wire Connectors	1	$4.79	$0.00	https://www.aliexpress.us/item/3256809787011836	Lever connectors for quick, solder-free wire splices.
Tattu 2S 7.4V 450mAh 75C LiPo	1	$18.02	$0.00	https://www.aliexpress.us/item/3256805952710385	2S LiPo packs for the flight power and the separate pyro battery.
GY-63 MS5611 Barometric Pres	1	$4.42	$0.00	https://www.aliexpress.us/item/3256808617110944	Barometer for altitude estimation, sharing the I2C bus with the IMU.
MagicWater Mailing Tube, 3 in x	1	$26.89	$0.00	https://magicwatersupply.com	Cardboard tubes for the rocket body sections.
BMI088 Gyroscope Accelerometer	1	$11.10	$0.00	https://www.alibaba.com/product-detail/BMI088-Gyr	6 axis IMU for measuring acceleration and orientation
TEENSY 4.1 WITHOUT ETHER	1	$33.60	$4.99	https://www.digikey.com/en/products/detail/sparkfur	Computer used to compute operations of rocket
Estes F15-0 engines	6	$33.99	$0.00	https://b2b.estesrockets.com/products/f15-0-engine	Ascent and descent motor on rocket
Black PETG filament for 3D prin	1	$18.59	$6.99	https://www.amazon.com/Official-Creality-Filament-	Filament used for 3D printed parts
Rubber bands	1	$7.19	$6.99	https://www.amazon.com/AmazonBasics-Assorted-	Rubber bands used to pull legs struts down and hold legs together at top
128GB microSD card	1	$35.14	$0.00	https://www.amazon.com/dp/B08TJRVWV1?ref=pp	microSD card used to log data from sensors using the flight computer
Respirator mask	1	$51.39	$0.00	https://www.amazon.com/dp/B01H0S90QE?ref=pp	Respirator used to protect lungs during testes with the rocket motors where the smoke produced can be harmful
RMRC Carbon Fiber Tube, 5 mn	8	$28.88	$8.33	https://www.readymaderc.com/products/details/carb	Lightweight, stiff carbon tube for structural members, cut to length from 1 m sections.
